Welcome to the Magic of Dance!

Your little dancer will enjoy a fun-filled **1-hour class** specially designed for ages **2–3 years**.

Ballet (20 Minutes)

Your dancer will twirl, skip, plié and explore movement while dancing to beautiful music inspired by their favourite **Ice Princesses, Fairies and Magical Stories**. This portion develops grace, balance, coordination and confidence.

Hip Hop & Tumbling (20 Minutes)

The energy picks up as dancers enjoy exciting music while learning beginner tumbling skills, jumping, stretching and age-appropriate hip hop movements that build strength and coordination.

Tap Dance (20 Minutes)

Time to put on our shiny **Black Tap Shoes!** Dancers will sing, dance, make exciting rhythms and begin learning musical counts while developing listening skills, timing and balance through fun tap activities.

Our Tiny Stars program is designed to create a lifelong love of dance in a warm, nurturing and encouraging environment.
